1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. Authorization for this Examiner's Amendment was given in a telephone interview with Colene Blank on January 8, 2004.

In the Claims:

Cancel non-elected claims 19 and 20.

3. The following is an examiner's statement of reasons for allowance:

Upon reconsideration, the Examiner finds applicants' arguments set forth particularly at page 7, first and second paragraphs in their latest response to be convincing. In the prior Office action the Examiner misinterpreted the order of layered elements 2 and 3 such as are set forth in the drawings on page 13 of the translation of JP Abstract -279, and believes that to take the position that the order of these various layers is within the skill of the art to be unwarranted hindsight.

Any comments considered necessary by applicants must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
